# Turf King Maxx-Phite

Guaranteed Analysis	
Soluble Potash (K <sub>2</sub> O)	29.00%
Available Phosphate (P <sub>2</sub> O <sub>5</sub> )	0.00%
Derived from: Potassium Phosphite	

This product contains **8.16lbs.** Per gallon of 56% Mono-and-dipotassium salts of phosphorous acid. Made with Virgin Phosphorous Acid and Tech grade Potassium Hydroxide.

### GENERAL INFORMATION:

**MAXX-PHITE** is a formulated fertilizer treatment for summer stress in turfgrass and contains potassium phosphite. This product is intended to be used as a supplement to a well-balanced fertilizer program. It is not intended to be a substitute for sound fertilization and conventional cultural practices. Thorough coverage of foliage is necessary for best results when used as a foliar treatment.

Precaution: Avoid foliar application under extremes of climate or stress. Exercise precautions to prevent potential root or foliar burning. Use sufficient water to ensure thorough coverage. Do not mix with copper-based fungicides if the pH of the spray solution is below pH 6.

APPLICATION	RATE	COMMENTS
Cool Season Turf		Apply every 2 weeks in a min
Fairways	2-4oz/1000ft <sup>2</sup>	1.5 gallons of water/1000sq.ft.
Greens, Tees	2-4oz/1000ft <sup>2</sup>	Apply every 1 to 2 weeks
Sports Turf	3-4.4oz/1000ft <sup>2</sup>	Apply every 2 to 4 weeks

**IMPORTANT:** Please compare to other Foliar Phosphite products. There is a difference!

- How many lbs./gallon of a.i. Are you getting? THIS IS HUGE. Most products only offer 4-6lbs. a.i. / Gallon. The less lbs.of a.i/gallon = more product needed/1000sqft. to achieve effectiveness.
- Is the product made with Virgin Phosphorous Acid?
- Is the product TECH Grade Potassium Hydroxide? Or is it Sodium Hydroxide
- Is the product made in the U.S.A.?

A Comparison:

MAXX-PHITE @ \$35/Gallon @ the 3oz rate = \$35.78/Acre Cost (Discount pricing avail. for volumes)

“XYZ” Product @ \$25/Gallon @ the 6oz rate = \$52.08/Acre Cost

MAXX-PHITE = a savings of \$16.30/Acre OR \$407.50/25Acres! A significant savings.

**MAXX-PHITE** is available in 2x2.5 Gallon cases & 275 Mini-Tote Tanks. This is not a label.
