Sulfur (S)	4.0%
4.00% Combined Sulfur (S)	

DERIVED FROM

Meat meal, bone meal, blood meal, and langbeinite.

*This product contains 4.5% slow release nitrogen from meat meal.

GENERAL INFORMATION

Nature Safe 5-6-6 Starter Fertilizer is designed for the development of deep healthy roots. This product will help in the mineralization of insoluble nutrients. The nitrogen sources are meat meal, bone meal and blood meal. The natural source of phosphorus and calcium is steamed bone meal. Langbeinite is rich in potassium, sulfur and magnesium, all of which are vital for root development. This product should be applied in spring and fall during aeration to promote deep healthy roots. It is also recommended to use this product when seeding, sprigging or overseeding. Nature Safe 5-6-6 is OMRI listed and allowed under NOP guidelines validating its use in the production of organic certified crops.

DIRECTIONS FOR USE

Established Turfgrass: Use as a topdressing for tees, roughs and fairways or any established turf. Apply 10 to 20 lbs. per 1,000 sq. ft. (0.5 to 1 lb. of actual N). Three to four applications per year are recommended. Covers 5,000 to 10,000 sq. ft.

SGN (130-140): Suggested for use on turf mowed at heights of 1/2" or lower.

New Turfgrass Seeding: Incorporate 20 lbs. per 1,000 sq. ft. into the top 2-4 inches of the seedbed before seeding or sodding. Covers up to 5,000 sq. ft.

Available in SGN (130-140)

Available in Net Weight 50 Lbs.
