

Stress Guard Fertilizer

**Formulation: Granular Grade
SGN: 140
Net Weight: 50 lb**

Guaranteed Analysis

Total Nitrogen (N)	8.00%
Ammonical	0.20%
Water Insoluble	7.20%
Water Soluble	0.60%
Phosphate (P205)	3.00%
Potash (K2O)	5.00%
Sulfur (S)	4.00%
Calcium (Ca)	3.00%
Magnesium (Mg)	2.20%

Source of Nutrients:

Feather meal, meat meal, bone meal, blood meal, langbeinite.

This product contains 7.2% slow release nitrogen from hydrolyzed feather meal, meat meal, and bone meal.

Active Ingredient:

Aqua Maxx - Contains the proper ratios of cytokinis and auxins especially beneficial to root establishment and development.

(AQM - Active Ingredient:
1% Kelp (Microbe Food)
55% Non-ionic polyols
44% Polyoxyalkylenes)

Nature Safe 8-3-5 with AQM is a premier product to enhance rooting during; aeration, seeding, and sod establishment. AQM provides relief from water deficit stress because of the surfactant addition for increasing transpiration capabilities of turf.

Directions for Use

For use on Golf, Lawns, and Sports Turf.
Apply 7.5 lbs. per 1000 sq. ft. This gives .6 lbs of Nitrogen per 1000 sq. ft. and the full recommended rate of AQM (3oz per 1000 sq. ft.).

Recommended Spreader Settings

8-3-5 AQM	Scotts R8	Scotts 2000	Lesco	Prizelawn	Vicon	LELY
1/2 lb. N	N/O	P/Q	K/L	N	35-25'	5-25'
1 lb. N	U	W	O	R	48-25'	8-25'

The spreader settings are conservative and should only be used as a guide for calibrating your spreader. Ground speed for Vicon & Lely settings was 4.5 mph.

General Information

Nature Safe: The 0.80% Water Soluble Nitrogen of Nature Safe 8-3-5 will provide green-up in 7-10 days. The 7.20% Water Insoluble Nitrogen will release for up to 7-8 weeks.

AQM: A combination of kelp extracts and soil wetting agents designed to encourage root development, relieve water deficit stress, and improve root zone hydration. AQM is easy to use and will not harm turf when used in accordance with product directions. When used as directed, AQM can be applied at any time of the year to increase the vigorous appearance of turfgrass. AQM is safe to turf when used as recommended. Non Phytotoxic when used as directed.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>.

Nature Safe:

Lawn/Garden Directions for Use for Phosphate and Nitrogen: Do not apply near water, storm, drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that may land on the driveway, sidewalk, or street, back onto your lawn/garden.

In Virginia, this lawn / turf fertilizer contains phosphorus and is only for non-agricultural use on (I) turf during its first growing season, (II) on turf areas being repaired or renovated, and (III) on turf where a soil test performed within the last 3 years indicates a phosphorous deficiency. This fertilizer is not for the routine maintenance of turf.

AQM:

Aqua-Aid Inc. (Seller) warrants that this product this product conforms to its chemical description and is reasonable for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

Hazard & Precautionary Statement
