

# NOW HIRING

## FULL-TIME FERTILIZER MANUFACTURING ASSOCIATE

Join our team as a full-time fertilizer manufacturing associate.

This position focuses on the daily production of Andre & Son turf and agricultural products manufactured on-site. This position mixes, blends, and bags our custom products. This position is responsible for organizing and staging palletized items in our warehouses, unloading trucks as necessary and other daily duties required for operations.

This position requires 40 hours per week. Must be able to lift over 50 lbs. Experience operating a forklift and other heavy equipment is a plus. Pay is based upon experience. This position is eligible for medical insurance, dental, vision, paid vacation & holidays, retirement profit-sharing, and employee discount.

Apply in-store or online at [www.andreandson.com/careers](http://www.andreandson.com/careers).
